This release may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economics conditions, shifts in customer demands, customers and partners, and government and policy changes. You are cautioned not to place undue reliance on these forward-looking statements which are based on current view of management on future events.
